

Os meus conselhos ...

VILA FRANCA DE XIRA

Beber bastante água mantém o corpo saudável

Devemos fechar a torneira enquanto escovamos os dentes

Devemos desligar o chuveiro enquanto nos ensaboamos

Consertar os canos que pingam evita o desperdício de água

Deixar a torneira aberta enquanto fazemos outra coisa é desperdício

A água é muito importante para apagar o fogo.
Não pode ser desperdiçada

Devemos usar baldes de água para lavar o carro. Não desperdice água
